2nd February 2012

Go Maths

Dear Parents / Caregivers

Year 2 children will commence Go Maths. This is a Maths program that has been developed by an award winning team of highly respected mathematics educators in NSW. It provides a proven developmentally – appropriate sequence of units and lessons.

For this program to function successfully in the classroom it does require your assistance in purchasing two textbooks from McDonald’s Books, High Street, Maitland.

During Term 1 2012 we will provide you with detailed information regarding the Go Maths programs which is fresh and inviting for all students.

The textbooks are:

Go Maths Student Journal  Stage 1B  $16.95

Go Figure Computation Practice Stage 1B  $ 9.95
