Year 1 Equipment List 2012

Dear Parents/Caregivers

Below is a list of items needed by each child next year. It would be helpful if all items in bold print could be obtained as soon as possible so that all lessons can be started without delay.

Please bear in mind that the books available from McDonalds Booksellers have not yet arrived, and all dates are approximate and dependent on suppliers delivering the product on time.

Please regularly check your child’s school supplies.

Thank you for your attention to this request. We look forward to a very productive year for your child.
